In case of errors or questions about your electronic transfers, call us at (800) 247-0857 or (651) 770-7000 and press 0. Write us at 2401 North McKnight Road, North St. Paul, MN 55109 as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared.

1. Tell us your name and account number.
2. Tell us the dollar amount of the suspected error.
3. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will recredit your account for the amount you think is in error so that you will have use of the money during the time it takes us to complete our investigation.

**PERIODIC STATEMENT DISCLOSURES FOR OPEN-END LOANS.
EACH LOAN MARKED * IS OPEN-END.**

HOW WE DETERMINE THE BALANCE ON WHICH YOUR PERIODIC FINANCE CHARGE is computed: We will figure the periodic **FINANCE CHARGE** on your account by applying the periodic rate to the unpaid balance of your account. To get the unpaid balance we will take the ending balance of your account each day, after adding any new advances or purchases and subtracting any payments or credits. This gives us the unpaid balance.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us at the address indicated on the front of this statement. In your letter, give us the following information: * Account information: Your name and account number. * Dollar amount: The dollar amount of the suspected error. * Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true: * We cannot try to collect the amount in question, or report you as delinquent on that amount. * The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount. * While you do not have to pay the amount in question, you are responsible for the remainder of your balance. We can apply any unpaid amount against your credit limit.

To Balance Your Checkbook
